Description of Specialized Services:

Aggie's Country Living strives to create a lifestyle of independence, safety and piece-of-mind for each individual and their family. We provide a safe living environment for all of our residents in a quiet, country setting. Aggie's Country Living is 5-star living that provides exceptional care to all of its residents in a smaller setting. We do have a house cat, named Macy, who enjoys visiting with residents. Our professional caregiving team has extensive training to care for all residents while providing them with respect and dignity. The team of employees are involved with the community and participate in community events as well as continuous training. This is the resident's home and we want to make it feel like home as much as possible. Personal belongings and pictures are encouraged for residents and families to bring in to help with the transition.
