**Description of Specialized Services:**

For those living with the challenges of Alzheimer's and dementia, The Classic provides an optimal balance of security, independence, empowerment, and honor.

Our highly trained, licensed professionals ensure 24-hour individualized care, while our Life Enrichment staff is trained in the concept of generating daily moments of success by offering opportunities for residents to find happiness and meaning along with supporting their unique needs. This overall approach to interaction with our residents focuses on creating feelings of belonging and purpose while seeking to preserve their identity and sense of self.

As a memory care resident, meal time is an event at The Classic -- a chance for socialization and a wonderful way to stimulate the senses. We take great pride in providing flavorful, well-balanced meals in a friendly and inviting atmosphere. Because we value the role food plays in our lives, we understand the quality of taste and experience that plays an essential role in our residents' happiness.

Our memory care accommodations feature 36 private studios and suites and are designed to create flexible routines, fun activities, and familiar, everyday experiences.
